GROUP FOUNDER

Abdullah Mohammed Al Mazrui is an Emirati businessman and entrepreneur from Abu Dhabi. He founded his family business in 1972. The Group's companies are now market leaders in various sectors including oil & gas, retail, trading, construction & logistics, education, real estate and financial investments.

Mr. Mazrui has cemented his reputation as a leader of the Arab oil & gas industry through long-standing strategic partnerships with Baker Hughes, Schlumberger and Cameron International. Recent Joint Ventures with ENI Versalis, Woodserv, and Ramco reflect his continued influence in the oil & gas sector.

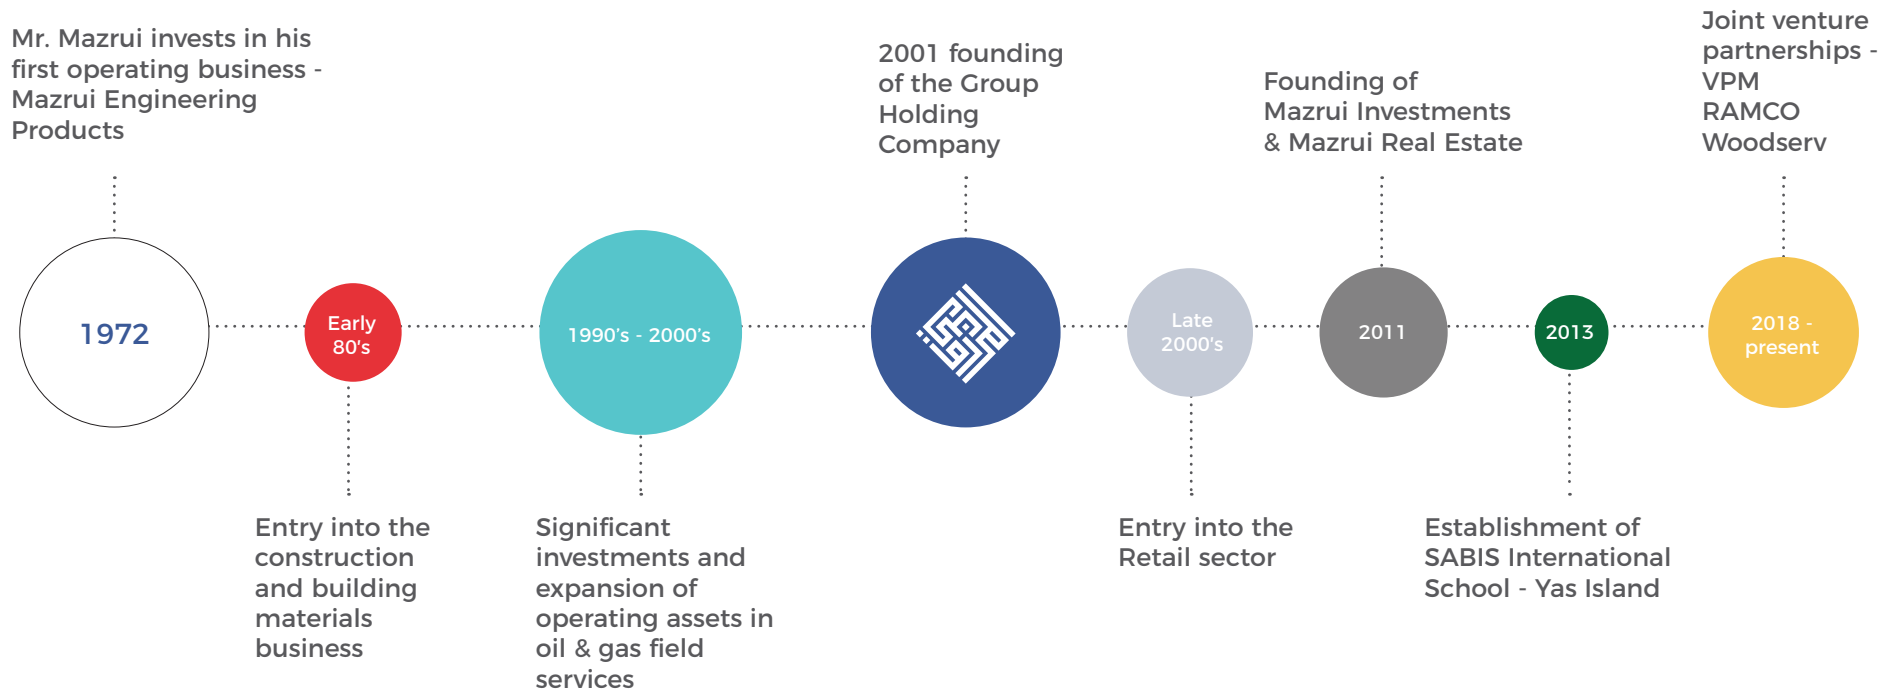

He currently serves as Chairman of the Emirates Insurance Company and Aramex. He is a Member of the Arab Bankers Association in London, a Director of the Abu Dhabi Education Council and the Abu Dhabi Economic Council.

He is a Member of the Advisory Board of the INSEAD business school, Abu Dhabi and the EDHEC Business School in France. Former roles include Managing Director of the National Bank of Abu Dhabi, Advisory Board member of the World Economic Forum and member of the Management Committee Currency Board of the UAE Central Bank.

Mr. Mazrui holds a Bachelor of Arts with Honors from the Chapman University of California, USA. He has been listed as one of the world's most influential and respected Arab businessmen.
